ONCAP Team

- 21 dedicated investment professionals located within Onex' Toronto and New York offices; ONCAP's one Managing Partner and five Managing Directors have worked together for 11 years and more than 100 years of collective private equity experience

Investment Focus and Philosophy

- Targeting significant minority or control equity investments of \$50 to \$200 million in North American businesses with EBITDA in excess of \$10 million and total enterprise values of \$50 to \$500 million
- Investments are typically sourced through industry research, industry relationships and the significant ONCAP and Onex network
- Partner with exceptional managers to jointly build businesses over the long-term with a focus on multiple of capital and not IRR
- Invest in high quality businesses and industries to execute long-term organic & acquisition growth strategies to patiently create shareholder value
- Ownership philosophy in which ONCAP and its management partners must personally invest in each transaction
- Utilize an appropriate financial structure and leverage ONCAP's strong existing lending relationships
- Opportunistically realize value
